

Neurosurgeon Dr. Jay Jagannathan featured in Delta Sky Magazine Named Among the "Top Doctors in America"

TROY, Mich. (Nov. 28, 2017) – Dr. Jay Jagannathan, who specializes in minimally invasive spine and brain surgery, is featured in the December 2017 issue of Delta Sky Magazine as being “among the top doctors in America.” According to the feature article, “each of the several featured physicians has been peer-nominated and selected by the nation’s leading providers of information on top doctors.”

Delta Sky Magazine is the No. 1 inflight magazine in the world, with a circulation of over 600,000 and a reach of 5 million readers.

Dr. Jagannathan, a board-certified neurosurgeon, has offices in Metro Detroit, West Branch and in Sault Ste. Marie and is a leader in minimally invasive spine and brain surgery. His practice, [Jagannathan Neurosurgery](#), has five practitioners who provide regional coverage in Neurology, Neurosurgery and Pain Management.

Dr. Jagannathan has previously been named a “Top Doc” by Hour Detroit Magazine and a “Spine Surgeon to Know” by Becker’s Spine. He has also been featured on CBS Radio’s Health segment and on Fox-2 Detroit News. He is a Fellow of the American Association of Neurological Surgeons and a member of the Congress of Neurological Surgeons.

He has published numerous papers and book chapters in the areas of spine surgery, radiosurgery and neuro-oncology and has been the recipient of numerous awards including the Synthes Award for craniofacial research as well as the Cone Pevehouse Award for socioeconomic research, both from the AANS. He was also recently named a “rising star” in spine surgery by In-Spine magazine.

Dr. Jagannathan is actively involved in organized neurosurgery and served as a member of the AANS Young Neurosurgeons Committee and on the Executive Committee of the Section on Tumors.

He has also served on the Congress of Neurological Surgery Scientific Program Committee and is one of only a few neurosurgeons who previously represented Michigan in the Council of State Neurosurgical Societies.
